Intelli-Sense TIS-240
Landscape & Irrigation System Profile Worksheet

Owner Information				**Today's Date:**	
Cust. Name:		Phone:			
Address:		City:		Prov:	PC:
Intelli-Sense Controller Setup & Schedule Information		**ate Installed:**			
Start Time/Stop Time:	T Start Time:		Serial #		
Micro-Zone:	Backup Max ET:		Phase Integ. A:		
System Notes:			Version		
Installer Information			**Total Hours to Install:**		
Installer Name:	Phone:		Upgrades Req?:		
Company:	Phone:		ACE#:		
Address:	City:		Prov:	PC:	

	Station Number	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24
Sprinkler Type	Spray Head																								
	Full Circle Rotor																								
	Part Circle Rotor																								
	Mixed Rotors																								
	Full Circle Impact																								
	Part Circle Impact																								
	Mixed Impact																								
	Stream Rotors																								
	Bubbler																								
	Drip Emitter																								
	Stream Spray																								
	Precipitation Rate (in./hr.)																								
	Efficiency Factor (%)																								
Plant Type	Cool Season Grass																								
	Warm Season Grass																								
	Combined Grass																								
	Flowers																								
	Trees																								
	Shrubs: High Water Use																								
	Shrubs: Med Water Use																								
	Shrubs: Low Water Use																								
	Mixed: High Water Use																								
	Mixed: Med Water Use																								
	Mixed: Low Water Use																								
	Native Shrubs/Trees																								
	Native Grasses																								
	Custom Plant A																								
	Custom Plant B																								
	Custom Turf																								
	Root Depth (in.)																								
Soil Type	Sandy																								
	Sandy Loam																								
	Loam																								
	Clay Loam																								
	Clay																								
Micro-Climate	Sunny All Day																								
	Sunny Most of the Day																								
	Shady Most of the Day																								
	Shady All day																								
Slope %	None/Slight 0-5% Grade																								
	Gentle 6-8% Grade																								
	Mild 9-12% Grade																								
	Moderate 13-20% Grade																								
	Steep >20% Grade																								
Location on Slope	All Parts of the Slope																								
	Top of the Slope																								
	Middle of the Slope																								
	Bottom of the Slope
